**No action is required** by individual consumers. All accounts currently enrolled in the City's Program will be switched to First Point as of the December 2024 meter reads. This change will be noted on the December 2024 bills and will be seen on the January 2025 bills. Consumers with questions about the Program should call Colonial Power Group, the City's aggregation consultant, at (866) 485-5858 ext. 1.

For more detailed information about the City's Program, including how to OPT-OUT or OPT-IN, **to change your current product selection**, or to access National Grid's Basic Service rates, please visit [colonialpowergroup.com/lowell](https://colonialpowergroup.com/lowell) or call First Point at (888) 875-1711. You may OPT-OUT or OPT-IN at any time in the future with NO CHARGE.

*Basic Service rates change twice a year or more, depending on rate class. As a result, the aggregation rate may not always be lower than the Basic Service rate. The goal of the aggregation is to deliver savings over the life of the Program against National Grid Basic Service. However, future savings cannot be guaranteed.*
